

## Getting to the “FINISHED LINE”

Calling ALL UFO's, PIG's, and WIP's

If you've got an *unfinished object* (project), a *project in a garbage bag*, a *work in progress*? Make it your New Year's resolution to just “get it done “! Or just need some help, time or motivation to get restarted? Bring your pattern, sewing supplies etc and get some help to get that quilt finished. There will be one of our class teachers on hand to get you “unstuck”. This class is only for partially completed projects.
