

Serger Class Supply List

(This list is for Level 1 and 2)

Machine requirements:

Level 1: Any 3 or 4 thread serger

- Please make sure your serger works before coming to class.
- These classes do not include coverlock or chainstitch. If you have a machine that has a combination of serger (overlock) and coverlock, Serger level 4 or 5 will cover these topics

Level 2: 4 thread or more.

- If you own a 3 thread serger and would still like to come to Level 2 you are welcome but know that your machine is limited in what it can do.

Sewing supplies: Required by student:

- Thread snips
- Fabric scissors
- Tweezers for threading
- Serger Thread 3 or 4 spools depending on type of machine.
- Seam ripper
- Serger needles specific to your machine (90/14 universal and 75/11 stretch)

Supplied by instructor:

- Different types of fabric to practice techniques.
- Workbook purchased at the beginning of level 1
