

EUROSTAR

COMMODITIES

Your trusted partner for quality ingredients

Since 1994, we've supplied the finest commodities and ingredients to our loyal and quality-conscious customers.

Covering food manufacturing, wholesale, foodservice, ethnic and retail markets, our quality collection of products is sourced worldwide and comes direct from the very best suppliers and producers.

Recognising the increasing need for high quality gluten free food products, we've invested significantly in a new Yorkshire manufacturing facility allowing production of gluten free flours in a safe and allergen free environment.

We are the first UK manufacturer to create, and bring to market a range of gluten free, clean label, chapati flours. This is a breakthrough product that has enabled people who have gone without bread for years to have the freedom to eat what they want. This product was awarded a great taste award in 2021.

Whatever your requirements, we're here to help fulfil them. Our products are available to purchase in bulk – in 10, 15, 16, 20 or 25kg bags and for foodservice, wholesale and retail, we stock pre-packaged ranges in sizes 500g to 5kg for optimum convenience.

Eurostar Commodities

YOUR TRUSTED INGREDIENTS PARTNER

Here at Eurostar Commodities Ltd, we've established strong, long-standing relationships with a host of world-renowned producers – and we've supplied great quality ingredients since 1994. With a strong commitment to providing only the finest goods and brands, our aim is to exceed your expectations from the off.

Your perfect partner for commodities sourcing, supply and aftersales customer service, we're known for our own-branded collection, as well as our suppliers' products – and via our modern premises, we have the capacity to supply flour, rice, maize and more.

Put your trust in us to create new and innovative products and own label/contract manufacturing – and you can be sure our technical sales team is on hand for consultations and demos, as and when you require them.

WAREHOUSING

Our modern warehouse facilities can be found in Brighouse, West Yorkshire. Located in the heart of England, Eurostar Commodities Ltd is well-positioned for convenient access to all major roads and motorways. Offering swift and efficient turnaround on product delivery throughout the UK, we can supply your favourite ingredients throughout the UK and Ireland.

DISTRIBUTION

The quality of our products is matched by our commitment to distribution and aftersales service. We put our all into providing a great collection, and our great customer service and delivery performance, which is second to none, is equally important to us.

We work with palletised containers and bulk distribution, with a turnaround of one to three days on most products. Carrying up to 1500 pallets of stock at any one time, we can often meet your order requirements in a short timeframe.

COMMITMENT TO QUALITY

With that in mind, you can be sure our suppliers' products meet the highest standards of quality control as demanded by today's consumers. We insist that either BRCGS or GFSI accreditations are held by those we partner with.

We hold both the BRCGS and SALSA accreditation. Having been awarded AA BRCGS accreditation for Storage and Distribution, this means we have been independently assessed by one of the world's most recognised system of food safety and quality management. You can be sure we follow the most vigorous standards and that you can trust us to produce safe food, managing product quality to exceed all customer expectations.
