ACCEPTANCE

FDA Submission Tracking Number (STN): Multiple STNs, see Appendix A

Dear [REDACTED]

We accept your PMTAs¹ for the tobacco products identified in Appendix A. Note that attributes in Appendix A may display converted values.

Your PMTAs will move forward in the review process. FDA may request to conduct inspections, which may include manufacturing inspections and clinical and nonclinical research inspections, to verify the information submitted in your PMTAs. The results of these inspections may also be used to verify the information submitted in any additional applications that reference the same manufacturing and research information. To ensure that the appropriate records and personnel will be available during the inspections, FDA will notify the point(s) of contact identified prior to the inspection start date.

We will notify you if samples are required for independent testing and verification. If samples are required, you will be notified by letter of the number of samples required and the laboratory address where samples must be received. All requested samples should be received by the laboratory identified in the letter within 14 calendar days of the request.

If you have any questions, please contact [REDACTED] Regulatory Health Project Manager, at [REDACTED], or [REDACTED]@fda.hhs.gov.

FDA Submission Tracking Numbers (STNs): Multiple STNs, see Appendix A

Dear [REDACTED]

We completed a preliminary review of your PMTAs¹ and determined that these applications meet the filing requirements for a new tobacco product seeking a marketing order under section 910(b) of the FD&C Act.² As a result, the applications for the new tobacco products identified in Appendix A are filed, effective the date of this letter.

The decision to file these PMTAs does not mean FDA evaluated the adequacy of the data submitted or issued an authorization order. Rather, it represents a decision by the Center for Tobacco Products that the applications are sufficiently complete to enter substantive review phase. Please note, our filing review is only a preliminary evaluation of the applications and not indicative of deficiencies that may be identified during a substantive review. We will contact you if we have a request for any additional information.

Your tobacco products specified in Appendix A are subject to the requirements of Chapter IX of the FD&C Act and its regulations. It is your responsibility to ensure that the tobacco products specified in Appendix A comply with all applicable statutory and regulatory requirements, including those which may be forthcoming. For more information on your compliance responsibilities under the FD&C Act, we encourage you to visit our website.³ You may also obtain information by contacting us at 1-877-CTP-1373, [REDACTED]@fda.hhs.gov, or [REDACTED]@fda.hhs.gov.
