

# Kids Fair Buyer's Guide

Shopping a consignment sale can be overwhelming so here are a few tips to help you get started!

---

## #1 Make a detailed list

It's easy to remember that your kid needs "clothes," but try to be more specific! What size do you need, how many of each item, and in what colour? For things like baby gates and shelving, make sure you know the measurements for your space so you don't buy the wrong size!

## #2 Create your budget

How much are you willing to spend on each item? Is there something you're willing to splurge a bit on? All of our Kids Fair items are priced well below retail value so you will save money regardless!

## #3 Buy a Presale or Twilight Pass

This ensures you get the most selection prior to the sale opening to the public. You can grab some of those hot-ticket items that you've had your eye on!

**Helpful Tip-** Remember that if you consign with Kids Fair, you may be eligible to receive a Free Presale Pass! To be eligible to shop during the Presale, you must be an active consignor, meeting the minimum requirements (35 items or \$250 sales value).

#### #4 Wishlist your favourite items

Prior to the sale opening, you will be able to view all the items available. At the top right-hand corner of the product, there is a heart that you can click. This will add the item to your wishlist! This will make checkout easier & more efficient.

Remember, items are added up until the Monday prior to the sale.

#### #5 Watch your cart time

To ensure that you are getting all the items that you would like, we highly suggest checking out every 5 minutes. If there is an item you really want, check it out and then return to shopping. We will be able to see you have multiple orders and will package them all together.

#### #6 Get comfortable

There is no reason not to be comfortable at this sale! Get those sweatpants on, grab a cup of tea or a glass of wine and get ready to shop for your kiddos from the comfort of your couch!

#### Time to Pick Up your Goods

You will pre-select a pickup time when you check out your purchases. We will have your orders ready for quick pick up!

All orders are checked to ensure they meet our quality standards and then packaged for you. If any items are missing or do not meet our quality standards, they will be removed and a refund will be issued to you.
