

# CUSTOMIZE YOUR **PATRIOT** WINCH TO PERFECTLY FIT YOUR LIFESTYLE!

Here are just a few of the winch accessories that we offer, to see our entire collection, visit our website at [www.ezanchorpuller.com](http://www.ezanchorpuller.com)

## Electronic Fast Fall System

Compatible with Hero and Patriot Direct Drive Series, this clutch-free system doubles your anchor drop speeds. It can be retrofitted at any time and turned on or off according to your in-the-moment needs.

## Small Bowsprit

Our Swivel and Straight-Style Bowsprits are adaptable to any boat up to 45' and ensure nearly every anchor drops freely and self-rights upon retrieval. The Swivel style self-launches while the timeless Straight bowsprit has angled rollers ensure a successful launch and retrieval.

## Guide Roller

Reduce rope chafe and allow for even alignment and free-falling with these 316 stainless steel guide rollers. Available in large and small sizes.

## Wireless Remote Control

Long-Range signal allows you to control the winch from anywhere on the boat. Available for 12-volt and 24-volt drum anchor winches.

## Hawse Pipe

This 8" wide hawse pipe is ideal for applications where the winch is mounted close to the top deck. Replace your deck roller and keep the rain out of your boat!

## 22lb Shear Magic Anchor

With the well-loved plow design, our unique Shear Magic Anchor gives you great holding power like the traditional delta with the added benefit of a break-away shear pin. Retrieve your anchor when reef'd thanks to the breakable shear pin. Also available in 15 lbs and 35 lbs.

## Rope & Chain Available

Eye-spliced double braid nylon, Spectra/Dyneema and short link chain is now available in 1/4" all the way up to 3/4" diameter! Purchase Chain guard, anchor swivels and shackles to complete your anchoring needs.
