

Return Policy

2022 Edition

Welcome to 4Winners Return Policy.

Any claims for misprinted/damaged/defective items must be submitted within 4 weeks after the product has been received. For packages lost in transit, all claims must be submitted no later than 4 weeks after the estimated delivery date. Claims deemed an error on our part are covered at our expense.

If you or your customers notice an issue on the products or anything else on the order, please contact your account manager and provide the relevant order information.

The return address is set by default to the 4Winners Production facility. When we receive a returned shipment, an email notification will be sent to you. Unclaimed returns get donated to charity after 4 weeks. If 4Winners facility isn't used as the return address, you would become liable for any returned shipments you receive.

Wrong Address - If you or your end customer provide an address that is considered insufficient by the courier, the shipment will be returned to our facility. You will be liable for reshipment costs once we have confirmed an updated address with you (if and as applicable).

Unclaimed - Shipments that go unclaimed are returned to our facility and you will be liable for the cost of a reshipment to yourself or your end customer (if and as applicable).

If you haven't registered for an account with 4Winners and added a billing method, you hereby agree that any returned orders due to the wrong shipping address or a failure to claim the shipment won't be available for reshipping and will be donated to charity at your cost (without us issuing a refund).

Returned by Customer - It is best to advise your end customers to contact you before returning any products. Returns for products, face masks, as well as size exchanges are to be offered at your expense and discretion. If you choose to accept returns or offer size exchanges to your end customers, you would need to place a new order at your expense for a face mask or a product in another size. Notification for EU consumers: According to Article 16(c) and (e) of the Directive 2011/83/EU of the European Parliament and of the Council of 25 October 2011 on consumer rights, the right of withdrawal may not be provided for:

- 1.the supply of goods that are made to the consumer's specifications or are clearly personalized;
- 2.sealed goods which were unsealed after delivery and thus aren't suitable for return due to health protection or hygiene reasons, therefore 4Winners reserves rights to refuse returns at its sole discretion.
