

2020 SHIRAZ

WINEMAKER'S COMMENTS

Shiraz produces Australia's most notable dry red wines. The variety is very successful on sites that allow the vine to attain flavour ripeness whilst retaining balanced levels of sugar, tannin and acid. Blue Pyrenees Estate Vineyard is one such site. The 2020 Blue Pyrenees Shiraz is produced from many different parcels of Estate grown fruit, grown on low-yielding vines creating a wine of intense flavours and balanced tannin showcasing a classic rich Shiraz. Maturation for 18 months in a combination of new and old American and French oak barrels has added softness, texture and complexity to a wine of distinct Pyrenees varietal fruit flavours.
