

2021 CABERNET FRANC

WINEMAKER'S COMMENTS

Cabernet Franc grapes are better known in the Loire Valley or the Pomerol area in the Bordeaux region of France, where they are most often blended with other red varieties. The Blue Pyrenees' winemakers saw the beauty and elegance of this variety and decided to keep some of it separate from the regular blending program, where it is known to add a lifted floral perfume. The wine was fermented for 1 week on skins in an open fermenter and pressed before settling and racking to oak barriques for secondary fermentation and maturation.

Region

Pyrenees, Western
Victoria, Australia

Grape Varieties

95% Cabernet Franc &
5% Cabernet Sauvignon

Colour

Deep ruby red.

Cellaring

Can be enjoyed now or cellared with
confidence for 10 years.
