

CABOT CREAMERY 2022

Purpose in Action

From the hundreds of farm families in our cooperative, to every one of our employees and consumers who keep us aligned with our B-Corp values, we're all united in making our products a force for good in the world and on every table.

16

FARMER OWNER SUSTAINABILITY AMBASSADORS

14,000

TONS OF WASTE DIVERTED

We divert organic waste into Barstow's Longview Farm's biodigester where it helps create renewable energy and build strong soil.

210,115

POUNDS OF DONATED PRODUCTS

We are proud partners with over 15 food justice organizations who help us raise awareness around food insecurity.

50%

UPCYCLED WATER

Using a process that extracts water from whey through reverse osmosis, we upcycle half of all water on our Cabot Campus.

18%

MORE SUPPLY CHAIN EFFICIENCY

Cabot delivery trucks average 18% higher miles per gallon than the national average, which earned us an EPA merit award.

3,794

GRILLED CHEESES GIVEN AWAY ON NATIONAL CHEESE DAY

6,500

CARS OFF THE ROAD

Energy generated by our farmer-owners' 13 anaerobic biodigesters, kept the carbon equivalent of 6,500 cars off the road.
