Background – It was brought to the attention of the WCDIA in 2015 that there was not an event or show in Western Canada to support and connect the LE community and their supporting organizations. It was the mandate of the WCDIA to diversify their membership into the security sector in 2016, so through the generosity of the industry and LE advisors, TACWest has been created.

The intention is to produce an annual event that grows and attracts more participants, technologies, innovations and exhibitors specifically focused on all aspects of the Law Enforcement industry.

Supporting Sponsor:

We encourage you and all your colleagues to participate, there will be something for everyone at TACWest.

Range Day – interact with Manufacturers and Resellers of firearms and equipment, try the products on the range, see demos, network with fellow LE members, and enjoy the complimentary concessions. This event will be held at the Sibald Flats Range in Kananaskis. (Delegate transportation will be provided)

Tradeshow – displays will include clothing, equipment, and the latest in innovative LE technology, new gear and training tools with product presentations included.

Briefing sessions and keynotes - will provide access to education, training and knowledge development opportunities.

Networking Events – Enjoy our Après Range Day Pub Night at the Grey Eagle resort on Tuesday evening and another fun night filled of hospitality on Wednesday evening after the show floor closes.

- This event is a must attend if you are in law enforcement or any supporting organization. Municipal Police, RCMP, Corrections, Sherriff’s, CBSA, Fish & Wildlife, Military Police, etc. are invited to register. You will have the opportunity to spend 3 days with colleagues in a “built for you” environment.
- This event is closed to the general public. Sworn Members and Associated Industry only will be allowed into the Show and Range Day.
