PIECING THE BLOCKS - MAKING HSTS

1. Take (1) Fabric H 5" square and (1) Fabric A 5" square, and place them RST.

2. With a pencil, mark a diagonal line between opposite corners.

3. Sew a scant 1/4" away from the pencil line on both sides.

4. Cut on the line, separating the two halves; this creates (2) HST units.

5. Repeat the process above using the following fabric combinations to yield all the HST units you need for this pillow. Note: each pair of squares yields (2) HST units, so you'll have an extra unit in cases where the pillow needs an odd number of them.

Make (2) A/H units.

Make (6) B/H units.

Make (4) C/H units.

Make (4) D/H units.

Make (6) E/H units.

Make (4) G/H units.

6. Trim all HST units to 4-1/2" square.

MAKING THE PILLOW FRONT

1. Sew your HST units together in rows, referring to the illustration on Page 1.
2. Sew the rows together.
3. Layer the Fabric I square, batting & pillow front, with the fabrics' Right Sides facing out. Baste & quilt as desired.

FINISHING THE PILLOW

1. Fold each 21" x 26-1/2" Backing rectangle in half, Wrong Sides Together, to create (2) 13-1/4" x 21" rectangles.
2. Topstitch (2) seams, 1/2" and 1" from the rectangles' folded edges, for a decorative finish.
3. Trim the Backing rectangles to match the width of the Pillow Top.
4. Place the Pillow Top face down on your work surface.
5. Line up the Backing rectangles with the outer edges of the Pillow so that their folded edges overlap at the center of the pillow.
6. Baste the Backing rectangles to the Pillow Top, around all (4) edges.
7. Join your Binding strips end-to-end and use to bind your pillow.
8. Insert the 20" square pillow form and relax!
