Based on the completed documentation, BEST CB LLC as a certifying partner of the ENERGY STAR program, can vouch that the product in question has met all the respective specifications delineated in its scope by the Environmental Protection Agency on the date of certification. From the following issue date onwards, this certificate can be taken as endorsement for the petitioning party to use the ENERGY STAR label on the product(s) as described:

A handwritten signature in black ink, appearing to be "S. J. ...", written over a horizontal line.

Approved Signatory

03 / 24 / 2022

Issue Date

The certification is valid only upon receipt of this dated signature. This document is property of BEST CB LLC and it does not grant permission of its own duplication or modification in any form without owner's permission. Any responsibility is subject to the terms negotiated between BEST CB LLC and the petitioning party as described in the conditions of the Agreement. BEST CB LLC does not assume liability to any other party for expense, damage or loss resulted in the use of this certificate.
