\*The presence of a dimmer on this chart is not a guarantee of the compatibility of the bulb in any particular installation. Absence of a dimmer on this chart does not imply incompatibility. Please reference the dimmer manufacturer's instructions for installation and further information.

**RISK OF FIRE** - Check the ballast compatibility list before installing this retrofit kit to the fixtures with electronic ballast. DO NOT install this kit to the fixture if the ballast is not on the list. In this instance, please bypass or confirm with supplier.
