• How to Set Time

1. Gently pull the crown out to position B.
2. Turn it in either direction until you reach the correct time.
3. After setting the correct time, push the crown back to position A (Normal).

• Watch Cleaning Tips

1. Use a soft brush to clean the face and dial.
2. For engraved, rhinestone, or gem-decorated dials, use soft cotton cloth to remove dirt.
3. Metal watches can corrode from sweat or salt. Ensure the watch is dry after use to prevent rust.
4. Store Watch in Box while not wearing. Proper storage preserves the watch's attractiveness and functionality.

Disclaimer : Do not operate the watch inside water
