

Dessert from the desert.

Hi, we're Monsoon Chocolate ☁️ an award-winning chocolate maker and confectioner based in the Sonoran Desert 🌵 (and the first chocolate factory in the United States' first UNESCO City of Gastronomy: Tucson, Arizona). Drawing inspiration from local ingredients, 🌶️ we craft chocolate bars, bon bons, confections, desserts, and beverages using transparently-sourced cacao from all over the world.

## DESERT SERIES

The desert series is our tribute to our surroundings: the Sonoran Desert. Each of these bars uses locally-sourced ingredients that have special tradition and meaning here.
