

COME FLY WITH US

FLIGHT SQUAD is the premier exhibition basketball team. Our players have showcased their pro-level skills on teams at home and aboard. We

provide quality entertainment in a family-friendly environment that will inspire your community and patrons. Our pursuit and passion is to play a competitive basketball game against your best team. However, we also know that audiences enjoy games that include former athletes, senior citizens and people with disabilities. Our events also demonstrate to young people the value of giving back to community. The FLIGHT staff will work closely with your representatives to create a unique and innovative event that will highlight your efforts to achieve your business or fund-raising goals.

BRING THE SHOW TO YOU!

Why book a game with us? Because a FLIGHT SQUAD basketball game is the perfect, unconventional fundraising event for corporations, non-profits, communities and schools. Your organization will profit from keeping ticket sales, concession sales

and sponsorships. FLIGHT SQUAD represents diversity. Our team boasts both male and female players from all different backgrounds

from all corners of the country. Through their example of discipline, self-confidence and teamwork, they are role models for younger audiences. A FLIGHT SQUAD game gives members in the community who may not have the resources or accessibility to attend an NBA game the opportunity to enjoy an afternoon or evening of a pro-level basketball game. We know that many people in different organizations and throughout the community have good (and not so good) basketball skills. Our games provide a great opportunity for them to test and show off their skills against our players. This event serves as a great recruiting tool to get people young and old involved in their community and your organization.

Finally, our superior customer service and attention to detail will insure your organization will enjoy your flying experience with us.

WHAT'S NEEDED FROM YOU

The sponsoring organization will need to provide a team of no more than 15 players of "local celebrities" like fire fighters, police officers, teachers, coaches, etc. to play against the FLIGHT SQUAD, secure a local gym for the game, provide a scorekeeper and referee, provide five (5) hotel rooms (four doubles and 1 single) for the night of the event. In addition, the sponsoring organization agrees to provide a post-show meal for the team (up to 10 persons).

WHAT'S NEEDED FROM YOU (Cont.)

coaches, fire fighters, police officers, local celebrities, etc., secure a local gym for the game, a scorekeeper and hotel accommodations must be covered by your organization. The FLIGHTSQUAD will be

traveling from the USA unless told otherwise. Organizations will need to purchase a minimum of nine (9) plane tickets for our team to arrive in your country. You must provide five (5) hotel rooms (four doubles and 1 single) for the length of our stay. In addition, the sponsoring organization agrees to provide a post show meal for the team (up to 10 persons).

Our experience has shown us that organizations typically partner with neighboring towns or organizations in their respective country to host more than one event. This allows organizations to share the expenses of our events which can be more cost effective.
