

Arlo Ultra 2 Spotlight Camera

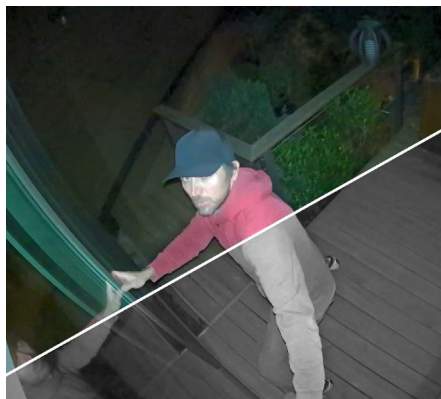

Our most precise security camera with 4x more detail

Arlo Ultra 2 outdoor security camera gives you the power of precision for ultimate security. The home security camera captures 4x more detail* so you can zoom in 12x on important features without distortion to help identify a suspect - even at night. And if the camera detects an intruder, trigger the advanced security features including a built-in siren, and two-way audio with advanced noise cancellation to deter them. A 100% wireless security camera for easy installation.

4K Video with HDR

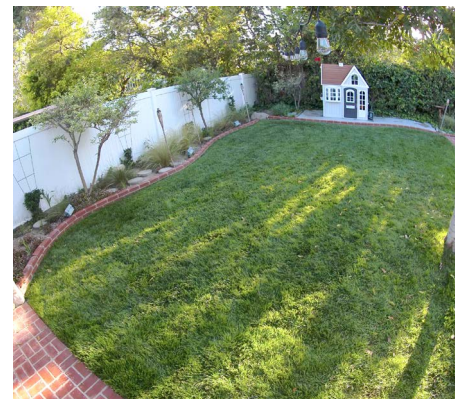

Zoom in up to 12x to see sharp details with Arlo Ultra's 4K & HDR advanced image quality technology.

Enhanced night vision & Integrated spotlight

Color night vision lets you see key details even in the dark.

Scare off unwelcome guests using Arlo Ultra's motion-activated spotlight.

180-degree diagonal field of view

See more with a wider-angle lens that has auto image correction reducing the fish-eye effect.

Arlo Ultra 2 Spotlight Camera

4K UHD Wire-Free Security

Features
