

Go 2 - 4G/Wi-Fi Mobile Security Camera

VML2030-100AUS

Security Made Mobile.

Intelligent security you can take anywhere. Connect to 4G or directly to Wi-Fi, view or record clear FHD video day or night, and protect remote locations with 2-way audio or built-in siren.¹

Locate your camera with GPS positioning and retrieve videos stored locally on the MicroSD Card.² Conveniently view videos recorded to the cloud directly from your phone with Arlo Secure.³

Security You Can Take Anywhere

Works with 4G or connects direct to Wi-Fi.¹

100% Wire-Free with Swappable Recharge Battery

No cords or wiring hassles for a sleek install anywhere.

All Weather Protection

Designed to withstand heat, cold, rain, or sun.

Secure Local Storage

Store your videos directly onto a MicroSD card inserted in your camera, to access and view later.²

2-Way Audio

Hear and speak to visitors clearly with superior audio quality.

See More at Night

View critical details in colour night vision for better identification with an integrated spotlight.

Locate your Camera Easily

Recover or locate your camera placement with GPS positioning.

1. 4G requires compatible device and wireless service plan. Additional restrictions and data charges may apply. Coverage and service dependent on carrier.

2. Requires MicroSD Card (sold separately).

3. Arlo Secure includes cloud recordings of video clips at 2K or lower resolution for 30 days.

Arlo Secure – Superior home security experience.

Arlo Secure service, including cloud recording, requires paid subscription after 3 months.

Identify objects that matter with advanced AI. Get specific notifications for things like people, packages, vehicles, and animals.

Reduce false notifications with activity zones. Create activity zones to highlight specific areas you want alerts from.

Keep you one step ahead with smart notifications. View clips on your smartphone's lock screen and take immediate action.

Keep all your clips secure with cloud storage. Access your recorded clips for 30 days.

Arlo Secure service not available in certain countries. See www.arlo.com/arlosecure for details.

This product comes with a limited warranty that is valid only if purchased from an Arlo authorised reseller.
