DANDELIONS COFFEE TABLE

BC-1096-02-0

This sweet new table series was conceived to allow each leg post to attach either on or off its corners, a rotation of 90 degrees, for a stately, distinguished look. A natural beauty in solid white oak with a jet-black finish, this coffee table sits lower to the ground, inviting more communication on its sturdy dowel legs. A perfect fit for the living room, office, or cozy beanbag+pouf café corner - natural elements, sculpture, and choice are all present. Solid white oak with a black ash finish.

Lower profile, Leg assembly leaves open design option. Some assembly required.
