KNIGHTSBRIDGE COFFEE TABLE

JD-1037-18-0

A lunar-like tablescape of raw beauty, elevate your interiors with the stunning modern details of the Banswara marble & oak coffee table. Bring this French Art Deco-inspired silhouette to your inner circle, with curved legs detailed in solid oak - the organic wild grains are emphasized with delightful repose. Unfailingly stylish, this design is perfect for layering into your space as a sculptural and sinuous accent table with natural characteristics that only add to its utter charm.

Solid oak, curved base with variations in color & tone.

Solid, circular marble top inlay The use of natural materials means embracing imperfections such as unusual marble veining, rock striations & woodgrains - no two items will be alike & there will be a slight gap between the marble top & where the wood connects.

Some assembly required.
