### OVERVIEW

The FINEAS Dining Table's rounded triangle tabletop accommodates six people. - Plywood frame with ash veneer tabletop & base featuring dowel joint wood joinery
- Made from kiln-dried wood. Solid woods react dynamically to their environment & may swell & crack with changes in humidity & temperature, the kiln-drying process prevents the wood from warping or developing small cracks over time, resulting in highly durable furniture. Kiln-dried wood doesn't require harsh chemical treatments as the heat effectively sanitizes it
- Seats 6
- This textured surface softens with age and use
- Some assembly required
