MERCURY COFFEE TABLE

VE-1115-02-0

Grounding, abstract and sculptural, The Mercury Coffee Table's base inventively reimagines shape and form, taking the finished Acacia wood in a bold direction. Ancient form and rustic style come together as an expression of joyful creativity while elements of imperfection and surprise burst with originality.

Solid Acacia wood with a black, distressed finish.

Please note that no two items are alike, there will be a natural variation between each piece due to the wood's distinct character, grains & knots in each piece of wood.

Some assembly required.
