PIGALLE COFFEE TABLE

VH-1016-18

Ancient inspiration meets design innovation as The Pigalle Coffee Table takes a monolithic statement into a low-profile silhouette. A round terrazzo tabletop perfectly matches the organic texture and sturdy support of solid acacia legs, the bold design offset by soft rounded edges.

White terrazzo tabletop with solid acacia legs.

Concrete, fiber-mix concrete & terrazzo are unique composites that will vary in color, pattern & texture. No two items made from these materials are alike & product imagery may vary slightly.
