

# Z-Man Games and Lucasfilm Team Up For *Star Wars: Jabba's Palace – A Love Letter Game*

*Launching at select retailers this Winter, now available for pre-order on the Asmodee store*

**PARIS — December 22, 2021** — Z-Man Games and Lucasfilm take game night to a galaxy far, far away with *Star Wars™: Jabba's Palace – A Love Letter Game*. Featuring *Love Letter's* signature social deduction gameplay set in the iconic *Star Wars* galaxy, players will outwit each other to achieve victory. *Jabba's Palace: A Love Letter Game* is available for pre-order now on the Asmodee store, and will be available for purchase this Winter at Amazon, Walmart, Target, and other major retailers for a suggested retail price of \$14.99 USD.

*Jabba's Palace* evolves the traditional *Love Letter* gameplay with the introduction of four thematic Agenda Cards. These cards shake up the game by weaving in various “agendas,” or victory conditions, that change the nature of play in each round and provide endless replay value. *Jabba's Palace* features four separate agendas themed around Han Solo's rescue from Jabba's clutches as seen in *Return of the Jedi*.

Playable at home or on the go with just a card deck and a pouch of tokens, *Jabba's Palace: A Love Letter Game* is a competitive, fast-paced card drawing game for 2-6 players that is the perfect choice for game night with friends and family. A 20 minute playtime means you can sneak a game in while waiting for your food or waiting for the bus. Adults and children ages 10 and up will have an easy time picking up this accessible and action-packed card game.
