

LED MINI FLOODLIGHT

ITEM: LED-MINI-W | LED-MINI-RGB

From the stage to the office lobby to the tradeshow floor, lighting can create a powerful effect. Illumination is an important piece of the puzzle to achieve the mood style or staging that you desire. The LED Mini Floodlight is available in cool white or auto changing RGB. RGB model has a remote to stop the light at the perfect RGB color.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.
