

ZOOM 20FT HALF WALL SOLID COLORS KIT

Half walls are perfect for use as traffic barriers, and help to enclose the tent space while allowing for air flow throughout. Kit includes two crossbars, hardware and two solid color 420D polyester half walls with UV coating. Color is on both sides of the half wall. Add extra kits to enclose your space even more.

INSTALLATION

Step 1.

For the half wall setup example, the attachment will be shown on this side of the frame back wall. The half wall can be attached on any side without a back wall.

Step 2.

Take the half wall telescoping pole and run it through the half wall pocket.

Step 3.

Attach the center half wall bracket to the center frame leg. For this example, attachment to this side of the frame as shown.

Step 4.

Attach the end half wall brackets to the corner frame legs. For this example, attachment to this side of the frame as shown.

Step 5.

Velcro attach the half wall to the frame legs.
