What is the scope of practice? As a licensed Naturopathic Physician in Oregon I am able to work as a Primary Care Provider. I have the ability to perform physical exams (seen here listening to lungs), order labs, imaging, diagnose, prescribe pharmaceuticals and even do minor surgery. I love to use the different modalities to best help an individual patient... using medics nutrition, botanical medicine and more. As a clinician my youngest patient has been 4 and oldest 85 (I have a few). It is a privilege to support others on their health journey using natural medicine. ? [company website](#)
