Testosteron Sustanon Kaufen - Sust 250 mg Sust is an injectable steroid which contains the hormone testosterone in four different esters equaling a total of 250 mg. Product: Sust 250 mg 1 ml; Category: Injectable Steroids SUSTANONE 250 10ml Sustanon 250 is a testosterone hormone. Although synthetic it is a perfect replica of the naturally produced primary male androgen testosterone. By the esters that are attached, this is what defines Sustanon 250 and differentiates it from other testosterone compounds. The compound carries a mixture of small and large esters in a precise dose. ? Or you're the guy who has been stuck in cruise control, you've been doing the same old things for so long, you keep doing them even though you're not seeing any real progress. You keep doing it because it worked for you in the past. You're eating the same old things, not improving in strength and fitness and you're probably quite bored.?

? the injections are usually given once every three weeks.
