

CARIBOU ELECTRIC

Electric Motor Systems Technician-Shop

As one of the leading local businesses in the Edmonton area, Caribou Electric Ltd. attributes their reputation to the lasting customer relationships we have developed throughout the years. We believe that all of our customers deserve the highest level of service and we are committed to providing just that.

Do you thrive in a fast-paced environment and have a “do whatever it takes” attitude? If so, Caribou would like to speak to you!

We are seeking a highly collaborative “Electric Motor Systems Technician” to join our team. Key responsibilities include the following (but are not limited to):

- Testing, rebuilding and repair of electric motors, generators, controllers and related electrical and mechanical equipment used in commercial, industrial and institutional establishments.
- Troubleshooting and diagnosing emergency repair procedures
- Providing excellent customer service to internal and external customers
- Working independently with minimal daily supervision
- Willingness to travel approx. 25% of the time
- Working in a safe manner at all times
- All other duties as assigned

Required Experience & Skills

- Minimum 2 years of AC and DC motor repair experience
- EMST Apprenticeship or Journeyman Ticket
- Rewind experience an asset
- Ability to read, write and communicate in a professional manner
- Knowledge of or ability to learn electrical components and ability to diagnose when necessary
- Valid driver’s license required, with good driving record
- Excellent customer service and interpersonal skills
- Intermediate or higher-level computer skills
- Ability to lift up to 50 lbs.
- Ability to stand for prolonged period of time
- Ability to bend, squat, stand and reach as necessary
- Ability to work alone or in a team setting

CARIBOU ELECTRIC

This is an excellent opportunity to join a dynamic and growing organization. The potential for success with our expanding, progressive, privately owned business is unlimited. We recognize our team members as individuals and consider mutual RESPECT to be the key to building a cohesive, productive Team.

If you are interested in this, a safety-first philosophy, mutual commitment, fun, and community involvement, then do not wait any longer! Come be part of our FAMILY!
