For God so loved the world, that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

John 3:16
#P597 Assembly Instructions

1. Select your material from a variety of hardwoods or solid core plywood.
2. Measure each pattern piece and cut the work pieces to size accordingly. Sand as necessary.
3. Make all pattern pieces by adhering the paper patterns to the work pieces with a repositionable spray adhesive. Cut the outer shapes and any interior designs. And drill where indicated.
4. Remove all paper patterns. Sand where needed. The edges can be rounded by sanding or using a small roundover router bit if desired.
5. Assemble by first gluing the 2 Top halves together. Then attach the Overlay, if required. Follow the same procedure for attaching the left and right Sides together, if necessary, and the Bottom.

   - Align the Top with the left and right Sides. And then align the Bottom. Be sure all pieces fit flush before gluing together. If they do not fit flush; adjust by sanding or cutting where necessary.

   - Next, position the pieces onto the Back workpieces, and tape or clamp to secure. Trace around the outer edges of the framing. Remove the pieces and cut the Back. Stain or finish all pieces before assembling.

   - Now, reposition the framing pieces onto the Back and secure with glue. To get the proper spacing for the lines of Text on the plaque, place the paper pattern onto the Back. Use a push pin or sharp nail point to mark the ends of each line of Text. The lines of Text on the paper pattern are spaced properly. Remove the paper pattern, and glue the Text lines into place. A magnifier light will help you see the pin holes easier.
