

We Can't Believe Zappos Already Has Comfy Sandals Up to 65% Off for Spring — Here Are the 63 Best Deals

By [Gabriella Porcero](#) | Published on March 25, 2023 12:00AM EDT

Spring has officially sprung, and that means it's time to get excited about sunny skies, warmer weather, fresh flowers, and, of course — sandal season. Zappos must be equally excited about spring since they have put some of their best sandal styles on sale at shockingly low prices, considering the season just started. That's right, you can shop the most comfortable, supportive in-season sandals, flip-flops, hiking sandals, and water shoes on the market for up to 65 percent off this weekend.

So, what are you waiting for? Start your spring travel on the right foot by taking advantage of these unbeatable shoe deals at Zappos. We broke down our 63 favorites starting at just \$18, so act fast before your size runs out.
