

The Reviews Are In: These Are the 30 Best Waterproof Boots You Can Buy

by BOBBY SCHUESSLER

When I think about the [best boots](#) in my wardrobe, a solid pair of waterproof boots ranks high on my list. It's this specific shoe silhouette that makes getting through unpredictable weather that much easier. After all, the thought of having to navigate through rain or snow with footwear that's not [weather-resistant](#) doesn't seem that desirable. With that in mind, I thought I'd do a deep dive through one of our favorite stores, [Nordstrom](#), to uncover the absolute best waterproof boots out there if you're interested in adding a new pair to your arsenal.
