Cougar Ignite Waterproof Winter Boot (Was \$130)

\$91 at Nordstrom

Winter is quickly approaching and soon snow and slush will likely be part of our everyday commute. When that time comes, you'll be glad to have a winter boot like this in your arsenal. These are completely waterproof and lined in faux-shearling to keep your feet warm and dry. In fact, these have a temperature rating of -14°F so you won't have any problem trudging through snow in these, guaranteed.
