Because crisp white sneakers are always in style, there's something to cater to every mood—whether you prefer sporty cool kicks, retro-inspired trainers, chunky platforms, or more minimal silhouettes—and almost any occasion. Casual workday? Sure. [Date night](#)? Check. [Road trip](#)? Definitely. As for the best materials, canvas, leather, and even wool are all suitable year-round, but there are also plenty of sustainable options that will have you rethinking what eco-friendly footwear looks like (spoiler alert: it's pretty chic).

Ahead, we've compiled a list of the best white sneakers for women to your rotation right now, including affordable options from beloved brands like Adidas, Nike, and Converse, comfortable running and [walking shoes](#) (including one pick from Oprah herself), a few seasonal trendy styles, and plenty of soon-to-be classics.
