19 Best Pairs of Winter Snow Boots That'll Keep You Warm

By Asia Milia Ware @missasiamilia | Additional Reporting By: Brooke LaMantia and Morgan Evans

You might think snow shoes are chunky and devoid of style, but we rounded up a bevy of trendy options that won't make you feel like you're clunking around. You'll find staples from brands like Sorel, Columbia, and UGG; nylon- and fleece-lined Hunters; an edgy pair from Dr. Martens; and even the celeb-loved Moon Boots. So avoid getting cold feet (literally) with our selection of 19 snow boots that are cozy, chic, practical, and guaranteed to protect you from the elements.

The *Faux-Fur* Boots for Extra Warmth
