Warm Fuzzies

Check out boot styles through the decades and find a new pair!

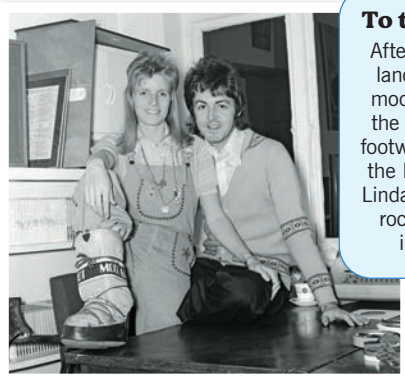

Fancy Fur

Booties with fur lining and trim were big in the 1940s; rubber soles started replacing leather ones.

To the Moon

After Apollo 11 landed on the moon in 1969, the astronauts' footwear inspired the Moon Boot. Linda McCartney rocked a pair in 1973.

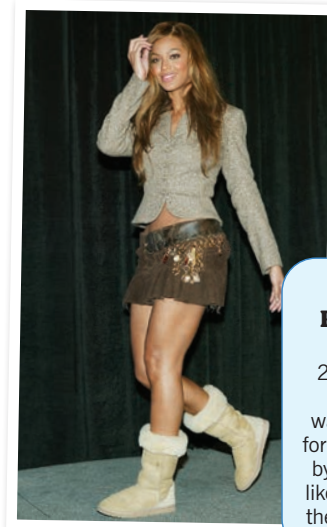

Fit for a Duchess

Sarah, Duchess of York, sported tall leather boots when she and Princess Beatrice enjoyed winter fun in Switzerland back in 1990.

The Ugg Revolution

In the early 2000s, women ditched their waterproof boots for sheepskin ones by Ugg. A-listers like Beyoncé wore them everywhere!

Haute Stuff

Chanel's iconic quilted boot with chains made it into the permanent collection of The Costume Institute at The Met in 2007.

Red Carpet Treatment

Trendsetting music star Pharrell Williams turned a trapper hat and winter boots into a fashion statement at the 2006 MTV Europe Music Awards.

Duck Dynasty

Sorel's take on duck boots has been trending for years. Naomi Watts wore hers during the 2018 Sundance Film Festival in Park City, UT.
