

# Mathias

- ☐ 2 Sides (a)
- ☐ 1 Tabletop (b)
- ☐ 1 Back (c)
- ☐ 3 Shelves (d)
- ☐ 1 Table leg(e)

ini: \_\_\_\_\_

Click the sides on the back and press the sides down.

Place the table on its back, and insert shelves + table top

Insert the leg

The table can now, if necessary, be attached to the wall via a screw through the back in the marked holes.
