RAVEN

*But the silence was unbroken, and the stillness gave no token,  
And the only word there spoken was the whispered word, “Lenore?”*

*Merely this and nothing more....*

*Edgar Allan Poe*

Both beleaguered and fascinated by darkness, she ventures deep into her own subconscious. Speech censured, thought forbidden, soul controlled...

*“What’s worse than dying, is living a life of almost.”*

She passes through mind’s mysterious alleys, confronting both dream and reality...

*“torturing heretics, burning of witches is ancient history.”*

She jumps into the fire, and realizes, both darkness and light are after all, one...

RAVEN, the ominous bird of yore, is the accurate embodiment of mystery, pain and power. The designer connects it to Edgar Allan Poe’s “The Raven” and chronicles the journeys of her subconscious through imageries of the depths of forest blossoms, and the dark feminine energy of the night, through an intriguing, deep color palette in prints and techniques, moving towards blazing Reds and finally to flesh pinks baring the skin and soul, one layer at a time, burning.....all in the label’s quintessential folkloric language.

Custom lacework with signature motifs create a captivating visual and RAVEN becomes a bold expression of defiance, duality, and individuality.
