BANQUET VEST

Contemporary style

encompasses a range of styles developed in the latter half of the 20th century. Pieces feature softened and rounded lines as opposed to the stark lines seen in modern design. Neutral elements and bold color, and they focus on the basics of line, shape and form.

Organic Cotton

By using this Recycled Polyester fiber, we are keeping millions of PET bottles from the world's landfills each year, saving over half a million barrels of oil and eliminating 400,000 tons of harmful air emissions that contribute to global warming, acid rain, and smog. This environmentally friendly fabric is very durable and can be used in a variety of ways.
