

5029B

15 lb Tool Tether with choke-on cinch-loop and steel screwgate carabiner, 36"

Features :

- Woven elasticated polyester web supports longer-life and reach flexibility compared to tubular web construction
- Features elastic choke-loop with nylon cord lock for a more secure attachment.
- Includes steel screwgate carabiner with self-closing gate
- Integrated captive eye clip keeps carabiner attached to tether
- Also available in convenient high-usage 10 piece pack
- Complies with ANSI/ISEA 121-2018
