BNTCB1UCC

- Thermoelectric cooler rapidly generates extreme cold temperatures to 0 °C (32 °F)
- The cold plate is coated with Nano Titanium making the plate surface smooth for effortless glide through the hair. Friction is minimized for gentle brushing
- Dual long-life brushless motors and fans accelerate the cold temperature to the plate, while dissipating any heat out of the back
- Advanced, high-output ion generator produces millions of ions for enhanced, frizz-free shine and less static electricity
- 90 metal bristles help to detangle and align hair strands when The ColdBrush is passed through the hair
- For wet and dry hair
- Automatic 30 minute shut-off
- Dual voltage
- 9 ft. (2.7 m) 360° swivel fabric power cord

SMART STEP®

PREMIUM SALON & BARBER MATS

- ▶ Unmatched comfort, support and durability
- ▶ Beveled edges will never curl up
- ▶ Will not separate, bubble, or delaminate
- ▶ Light weight with non-slip top & bottom
- ▶ Easy to maintain, clean, and disinfect
- ▶ Clear coated, thus repelling dirt, stains, hair color, and is easy to sweep
- ▶ Effectively suspends the body weight
- ▶ One-piece polyurethane construction

ELITE

THE ORIGINAL BLACK MAT

The Elite is the cornerstone of the Smart Step brand and the "Gold Standard" of Premium Standing Solutions for salons. With its simple smooth surface, elegant lines and sleek design, the Elite is the mat of choice among professionals.
