20	115-122	100-107	125-132
22	123-130	108-115	133-140
24	131-138	116-123	141-148

MEASURE YOURSELF

BUST

To measure your bust hold the tape measure at the fullest part of your bust.

WAIST

To measure your waist tie a piece of string around your waist and move a little and the string will move to your natural waist.

HIPS

Your hips are approximately 20cm/8" below your natural waist line. Measure the fullest part to get the most accurate measurement
