

DS-142

Design: Dr. med. W. Totzek, de Sede Design Team

Standard configuration

Black metal feet, 5-spoke base. **For further versions, see options.**
If not specified otherwise, the standard configuration will be confirmed.

Cushion

Optional with support pillow DS-9087/36 and neck pillow DS-9087/46.

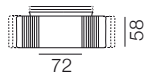

Function

Armrests 135° and back 90° with ratchet joints manually adjustable. Maximum load up to 30 kg.

Note

Upholstery with loose-fitting covers. Folds and creases will inevitably develop with use.
