

# RH-305

## Standard configuration

Flat oval steel tube frame, high-gloss chrome-plated. Glides for hard floor coverings. **For further versions, see options. If not specified otherwise, the standard configuration will be confirmed.**

## Padding and structure

SEDEX upholstery with wadding cushion. Frame of solid beech with belt strap seat.

## Base frame

Flat oval steel tube frame, high-gloss chrome-plated, other coatings available on request, subject to surcharge. Glides for hard or soft floor coverings.

## Appearance

**Tufted with buttons, back upholstery with edge piping.**

## Note

**Folds and creases will inevitably develop.**
