

# Large 9-layer A-frame Flower Stand Installation Instructions

Step:

**1** Take out two brackets.

**2** Take out the bottom plate and install it on the bottom of the bracket.

**3** Take out the middle plate and a side plate and install them on the top and middle of the bracket respectively.

**4** Install the side panels into the grooves of the brackets on both sides.

**5** Install the diagonal braces underneath the side panels.

**6** Install the wheels on the bottom of the stand.

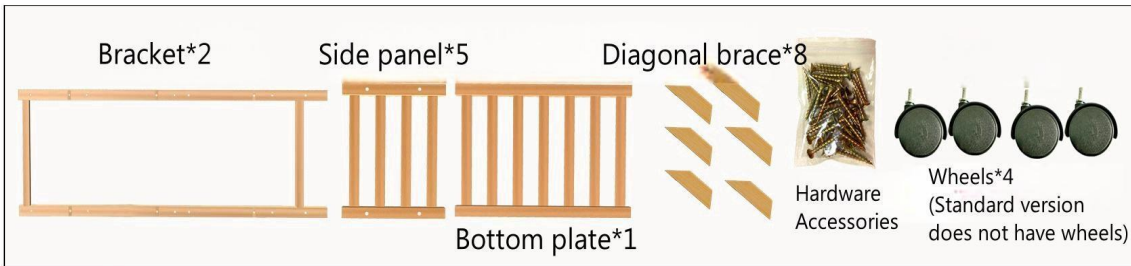

Install the side plate into the groove of the bracket and tighten it with screws.

Install the diagonal brace under the side plate and tighten it with screws.
