

# CHILL YOGA MUSIC 2:

POWER ASANAS DUB & REGGAE BEATS

# Chill Yoga Music 2: Power Asanas Dub & Reggae Beats by Various Artists

This second edition of Chill Yoga Music artfully weaves a relaxing and groove-filled soundscape of devotional music presented in a fresh array of beat-laden stylings. Breezy Caribbean rhythms run throughout the album like a sparkling island stream on a sunny day, linking reggae-inflected tracks by Desert Dwellers, Prem Joshua, Govind Das & Radha, as well as the pure reggae sound of Tubby Love and Trevor Hall.

Deep dub beats and trippy electronica sounds also abound, with high-energy, danceable tracks by Adham Shaikh, EarthRise SoundSystem, Ancestral Elephant and Living Light, as well as in chilled-out downtempo offerings from Girish, Liquid Bloom with Rara Avis, MC Yogi, Niraj Cha and DJ Taz Rashid. Some of the loveliest voices in yoga music punctuate this fluid, seamless sequence of uplifting songs, including those of Deva Premal, Donna De Lory, Marti Nikko (with husband DJ Drez) and Wah!.

A great listen for balmy spring and summer days, or to bring sunshine into the long nights of winter!
