Pour egg whites into a plastic bowl & beat lightly. Add cream of tartare & further beat the eggs on a higher speed until the stiff peaks form. (Use the electric mixer unless you want your hand to drop off!). Using a blender/food processor, blend yogurt with frozen berries in a separate bowl (optional: now you can add a sweetener of your choice). Once blended together & solid, slowly fold egg whites into the batter making sure your egg whites are not losing the volume. Divide the mixture into two small bowls, let rest in the freezer & serve frozen. Note: the mixture will freeze super

quick. Serve with Macro Mike cookies or cookies of your choice (macro Mike cookies are super easy to make & have less calories than normal cookies!)

This is "cake" my foster baby girl that my baby boy "kaabour" found her Alone next to our door homeless, hangry, with eye infection and so so tiny (she needs a mom) and how cute i found them both guys, he was protecting her and licking her face and body to Keep her clean ????? omg that scene was so so adorable and cute that i ve never imagine it, how a male street cat protect and clean up a tiny 3 weeks old abandoned kitten, and the most sweetest thing is that she (the kitten) thought she was next to her mom so she was comfortably calm and enjoying the bath instead she can't see anything with her very bad eye infection ????

Xt labs was the thickest oil I ever injected and they tested very badly on some other forums . I would have to see some new labs or bloodwork before going with that brand again . It is very appealing all boxed up and pretty tho . But you can try to shine any turd I reckon lol .
