The Zomacton reviews from our clients echo those of individuals who have received other brands of HGH injections. Our doctors also prescribe Norditropin, Humatrope, Saizen, Omnitrope, and Genotropin - all superior-quality HGH brands for use by men and women with GHD.

It has been 4 months since a flare up that was so bad I could not walk, breathe, move or eat properly for days on end and following one ultrasound over a month ago, I have been instructed to wait nearly a whole year until I can be seen by a gynecologist on the NHS, mainly due to my age and the belief that my case is not an urgent one. Many times, I have been told by doctors to 💎 just go private 💎 to access the care I need, as if that isn't proof of systemic issues facing the NHS as a whole, and as if it's just that easy for every woman to "just" pay for healthcare in a country where it is supposed to be free.
