SPECIFY

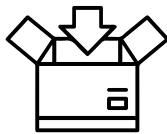

The reason for return code
(1, 2, 3, 4)

Please indicate, on the line corresponding to the returned product, the reason for the return :
We use this data to improve our services.

1. The item does not meet with my expectations
2. The item is too large
3. The item is too small
4. The item is damaged/faulty

Be sure to wrap and protect all products in your package.

All returns must be done within 14 working days, starting at date of receipt of the package.

1

Place the items being returned in their original packaging and carefully parcel them up.

2

Complete the return form, indicating the reason for return for each item, and place it inside the parcel.

3

Send your package with the carrier of your choice. (If the reason for return is based on the right of withdrawal, the return costs are at your expense)
